

Dear Parents,

You are required to park your vehicle (two-wheeler as well as four-wheeler) as per the instruction provided to you by the staff of the school. Parents should not bring their vehicles to the pocket road and rather park their vehicles on the main highway road. The school and its parents should not cause an inconvenience to the local community. Strict action will be taken against parents who do not adhere to the instructions provided by the security guard/staff of the school.

While taking admission parents of the school had agreed to the following instruction at the time of admission by signing a letter of agreement and its states as follows –

“I shall park my vehicle/motorbike or any other means of transportation according to guidance of the school authorities, during pick and drop of my child or any special programs of the school.”

Please note there are CCTV installed around the premises of the school.

You will be required to follow the directions and instructions given by the school authorities for the safety and security of the children and the smooth functioning of the school.

Principal.
